Today's storm will make it difficult for me to be with you in person, but I did want to show my love and support for Kate and her family. I still think of her as "Katie" from our days together at Campbell Elementary. Everyone loved her, and there was a lot to love. She has always been silly yet sharp, quick witted, deeply caring and a fierce advocate for those who face injustices. She was honest and trustworthy and true. I want her children to know how much she loved them and how hard she fought for them. They were her sun, moon and stars, and she gave them her whole heart. Our beloved Kate was so beautiful, inside and out, and those who knew her well will focus on the good, and remember all the light she brought into this world. She will be missed.

Kate, it's been awhile since we talked, but you are still in my heart. We met at CMU when we were pledge sisters and joined the best sorority on Campus. I remember when you asked me to room with you in Park Place apartments. I was torn between two places but you helped me realize that I needed to do what was right for me. I'm so glad I moved in with you. You were such a great roommate! I always admired your confidence, beauty and fashion sense. You loved your kids more than anything and I hope they always remember that. Rest in Heaven my dear sister. Alpha Chi love and mine, Debby Kuna

Kate I just met you this past Christmas holiday season at Von Maur so I haven't known you a long time. However it was nice working with you as we wrapped many many gifts. I left the store hoping we'd work together again this year. May God grant you sweet rest and peace for your family.
