To The Family And Friends Of Our Dear Jinny, Jinny was like a second mom to us. She and her husband Bill raised nine wonderful, caring, fun, intelligent children. She took under her warm wing many others who she said were her number 10's. We were blessed to be called one of her 10's. She was humorous, full of life, a prayer warrior, open hearted and concerned about everyone. She will be greatly missed but believe her great spirit will continue to soar in each of our hearts and help us all and this world...Sending love and big hugs to Jinny's family and all who love her...Deb Tufts & Jimmy Hallberg

Jinny was our neighbor in Naples, FL, for 15 years. She was one of a kind....friendly, compassionate, kind, funny, delightful, stubborn! She loved socializing, playing pranks, and most of all her family. We will miss her dearly.

I moved to Naples and bought a place next door to Jinny, and only got to know her for about 3 months before she went back to Michigan. In that short time, she made such a huge impact on me. She was so engaging, caring, and such a delight to share moments with. Jinny enriches the lives of everyone she meets. The gardenia plant she wanted me to plant outside her kitchen window is there and blooming. As it continues to blossom, it will be a tribute and celebration to such a wonderful soul. She will forever have a place in my heart. My sincere condolences and prayers to the family and friends.
