So sorry to hear of Delores's passing. Delores was my departed mother's cousin and special friend. My mother treasured the cross country phone conversations in latter years. My wife and I send our deepest sympathy to all members of Delores's family. Michael and Barbara Reed

Jane and I extend condolences to all members of our family. Delores will be greatly missed. I am Larry Sztogryn from Fenwick Ontario but our family lived on Mercer St. in Windsor, Ont. "Aunt" Delores as I called her, is actually my 2nd cousin. As a kid, I spent lots of time over at Delores' parents, Auntie Mary's and Uncle George's on Marentette St., and visited Auntie Mary downtown Windsor where she worked at Woolworth's I think. When Delores and her family would visit us on Mercer St, the first thing she would do is run after me and kiss me all over my face leaving her red lipstick everywhere. I have very fond memories of my loving cousin Delores and I will miss her dearly.

My heartfelt condolences to Natalie and Laura, and the family. Sending much love from the Windsor family. Your Baba Mary was sister to my Baba Anne, your mom (I knew her as "Delores" growing-up) was first-cousin to my mom Carol. All of these aforementioned women are part of a special lineage - smart, hard-working, big-hearted, joyous, and shining! I have wonderful memories of them all; they are all greatly missed, and so too your mom will be missed! The photo chosen here of your mom, she is radiant and beautiful, and that is how I remember her.....XOXOXO

We met in a very unique way and yet became friends for life, especially via your daughter Laura. You were always kind, sharing, and welcoming to me in your family! I will miss seeing, hearing about, and seeing the photos of Baba in action.
