Sandra was a wonderful person. We met in high school. I loved her curly hair and her warm smile. She, Darlene Hughes, Donna Choate and I had Eddie Bear Stephens History class together our freshman year. We always had fun! I'm so glad we caught up on Facebook! She will be missed!!

I hate to hear this. She was always such a personable woman. My dad, who was her biology teacher, thought a lot of her. She was always one of the first on FB to wish you a happy birthday or give you a word of encouragement. She is safe in the arms of Jesus and was serenaded by angels up to His throne.

I hadn't seen her in years until we reconnected through Facebook. She was a kind and sweet person. Sending prayers for her family.

Sandy and I met later in life and learned we were cousins. It was always a joy to talk about our Lord and savior and share our individual stories and journeys. I will Miss her and my heart is sad for the family she leaves behind. She dearly loved her grandchildren and would talk about them often. My heart is sadden for the entire family and all her close friends. She was a special lady and I'm so sorry we didn't meet earlier in life.
