Betty was such an easy going, caring, sweet lady with such a neat life story. It's a shame I didn't get enough time with her to learn more about her. May she rest in peace!

Farewell to my sweet aunt Becky as she was known by her nieces and nephews, as you now are reunited in heaven with your loved ones who have gone on this journey before you. My heart is filled with such joy that you now are among the angels above. You have taught me so much about faith and I am so proud to say that my faith is the strongest it has ever been thanks to your showing me by example. I now am someone who loves the Lord Jesus with all my heart thanks to you, May I teach others the things that you have taught me through out my lifetime. You gave me so many memories growing up, too many to count so I will smile and reach deep inside my heart if I am sad or lonely. You are loved by so many and there will be a huge void within her church family to fill. I will carry on and do you proud Aunt Becky I promise and I will treasure your love for me each and every day. Forever in my heart and prayers, your loving niece Melody.
