I met Pat when we both worked at Muskegon General Hospital, back in the glory days! Then we were fortunate to have her (and her mother Joan) as caregivers for my father Jack Price. They were definitely part of the 'A' team. So appreciated their compassion and kindness. I saw Pat not long ago, at an affair downtown. She looked great and seemed fine, so surprised to read of her passing. Hopefully it is a comfort to her family that there wasn't an extended illness. May her soul rest in peace. Kathy Price

Pat was such a great person and I couldn't wait to see her when she was in town. I was so excited to run into the room and be greeted with her smile and open arms. Always telling me she loved me and was so excited to see me as well. She was a great mom to her children and she loved Stephen and I because her son did. We truly miss her and the impact she has made on her family and friends. Wendy Schubmehl
