Mom #2, I miss you so much. You have been with me since I came into the world in 1971. The void in my heart is so big. As big as the love you gave me. I don't know to process your leaving but I know I will help my mom, Vicki Bailey, and try to be there for her just as you were for 70 years. I will talk to you everyday and miss you forever. You are golden.
