Ole buddy, I don't have the words to express what you meant to me. Like a second father but I never told you that. I'm gonna miss our coffee time at your small kitchen table and all the archery discussions we had. Spending g time in an ice shanty with you was as fun as it gets. I hope your dogs were waiting for you when you crossed over, especially Lady. I gonna miss ya "ole buddy".

I've known Roger since I was younger. Him and my dad were good friends. I haven't seen much of him since my dad past. May his soul rest in peace and him not hurt anymore. Sending prayers to the family. May you all stay strong for each other.
