I remember Annie from Reeths-Puffer High School. She enjoyed chatting in my office. Always loved hearing about her hopes and dreams. She loved her family and friends. So sad to hear of her passing. My deepest sympathies to her family. She was a bright light at RPHS. Feel blessed to have known her. Sue Williams

Annie and I became close in school and we just couldn't be apart, I lived with her and her family most of my senior year and cherished every second of it. She was always smiling, cracking jokes and had a heart of gold. We have ran into each other a few times since then and she never changed with that amazing smile. You will be missed so much, watch over all of us my sweet friend ❤️

My condolences, Bob. Annie will be missed by the whole family. My last memory will be of her at the wedding in southern Utah in September looking happy, healthy, and beautiful twinning with the mother of the groom.
