# Megan Meredith Moreland

MAR 25, 1984 - FEB 15, 2024

**M**egan M. (Tate) Moreland passed into her heavenly home on February 15, 2024, at the age of 39. Her fierce battle with breast cancer took her earthly life but she left behind a powerful example of strong will, positivity and hope. She will always be remembered for her beautiful smile, her sweet spirit, her kindness and generosity and her great love for her two sons. Megan was born on March 25, 1984, in Shelby, MI., to Jim and Maria (DeYoung) Tate. She grew up in the White Lake area and attended both Montague and Whitehall public schools. After high school graduation Megan studied Pharmacology at Ferris State University and received her Doctor of Pharmacy degree in 2008. She worked for Walgreens and later for Essentia Health in northern Wisconsin. Megan was a highly competent professional always striving to show empathy and caring for her patients. She always appreciated her colleagues, and she considered them friends. Megan's sons, Tate James Moreland age 9, and Andrew Scott Moreland age 6, were the great loves of her life. She worked hard to impress upon them the values of education, reading and the importance of being open to exploring new experiences. She taught them to love, honor and revere Jesus and to know the power and importance of prayer. Megan cherished her friendship with the "Pharm Girls" and we appreciated their never ending love and support for her. She was blessed with many loyal friends and appreciated and loved them all. Megan leaves behind her family with hearts full of memories and great respect and admiration for all that she endured without complaint. She is survived by her children, Tate Moreland and Andrew Moreland, parents, Jim and Maria Tate, her sister Michelle (Scott) Eader and her brother Brad Tate, nieces and nephews, Elizabeth (Joe) Anderson, Emily, Michael and Will Eader and Allison and Brady Tate. In lieu of flowers please consider making a donation to the Megan M. Moreland Trust or [Hope Scarves](#). Visitation will be held at the Lee Chapel Friday, March 1, 2024 at 1:00 pm with a Celebration of Life at 2:00 pm. Arrangements by the Lee Chapel of

i met Megan when she first csme to the Essentia Pharmacy - she was the 'new pro on the block' following in the big shoes of long time pharmacist Wayne C. Her smile, skill and care for her customers were a wonderful gift to that medical corner of the clinic! She gave my son and I our shingles and flu and pneumonia snots - she knew the answers to pharmaceutical questions and always provided service and skills with her smile. My heart aches that she lost her battle to that damn cancer - i send my love to her boys, and her husband - i am truly so sad at their lives without her. xooxooxoo

I've worked for Walgreens for 22+ years...never have I ever worked with a pharmacist with such grace & compassion like Megan. She was one of a kind. Always so empathetic for her patients and coworkers. She was an amazing soul, a master at her craft and had a heart of gold. ❤️ The world will miss her.

The Rillema family will continue to pray for you all, Tate Family. Megan was an amazing babysitter and role model to all three of us girls. Her grace and drive combined were impressionable upon us as children, and still as adults. Megan was truly first class.

Megan was a beautiful, kind, caring, loving woman. She was sunshine in human form. I loved her like a friend. I loved her like a daughter. My heart is broken and I know this world is going to be a sadder place without her in it. I pray that God will give you all strength and peace during this incredibly difficult time. Sending you all my love and keeping you in my thoughts and prayers.

Megan and the boys became some of my closest friends over the last 2 years, and her passing has weighed heavily on my heart. She came into my life at just the right time, and I will miss her dearly. She meant so much to so many here in Hayward, and her loss has left a big hole here. We are praying for you all, and know this time is incredibly unimaginable. ❤️
