I am very sorry for your loss. I worked with Lisa and her mother at Burger King. Lisa was a great person and a joy to work with. I remember when her son was born and she was so excited to become a mother. Keep her memories alive! You are in my thoughts and prayers.

I'm so sorry for your loss there are no words that I can say that will ease your Pain I will Keep you all in My Prayers Just know she s in good hands now and that she is always with you the lost of a love one is very hard and to keep saying why only God knows when our time here is up we never know how long we will be here and to spend that time with the one you love and care about is important to spend each and every day with kind words and not to say something you will regret later.
