## **Linda R. Hood**

AUG 20, 1955 - MAR 17, 2024

**L**inda R. Hood, age 68, passed away on Sunday, March 17, 2024, at home. She was born on August 20, 1955, to James and Minnie (Thomas) Hood at Fort Campbell in Kentucky, eventually calling Michigan home. Linda graduated from Flushing High School continuing her education at the University of Michigan-Flint, where she received her bachelor's degree in education. She went on to earn her master's degree at the University of Phoenix and began working on her doctorate. Linda had a passion for teaching and made her way to Muskegon where she began teaching at Baker College in 1988 continuing to Davenport and Muskegon Community College. For nearly 30 years, Linda enlightened and helped many throughout the years as a teacher, dean and director before retiring in 2021. Along with her passion for teaching, she also enjoyed creating and making jewelry that she loved giving away to friends, family, and strangers. The pure joy and ability to make someone's day is what she loved. Her generosity and radiant smile will be missed by so many. She is survived by her loving sister, Paula (James) Rahe; niece, Ann Marie (Dan) Love; great-nephews, Henry Love and Josh Love; sister-in-law, Judy Gerdeman; numerous cousins; and many dear friends. She was preceded in death by her parents. Memorial Contributions in her honor can be directed to the Alzheimer's Association or Pound Buddies. Arrangements entrusted to The Sytsema Chapel of Sytsema Funeral & Cremation Services, 737 E. Apple Ave., Muskegon, MI 49442. Share memories with the family at [www.sytsemafh.com](http://www.sytsemafh.com).

**Denise Simmons** posted:

I met this wonderful lady through her sister Paula Rahe in 2004 during my practicums while attending Baker college. They both were a delight to be around. I have never met a more giving person than Linda. She stood for righteousness and portrayed that in her life. It was a honor being her massage therapist for a few years until my car accident. Linda was planning on attending my wedding in June but, God had other plans. May she rest in peace and may God comfort Paula, her niece and all who were close to her and the lives she touched. Linda Hood made a difference and will be truly missed. My heart is broken.

Condolences to her family. Linda and I became best friends and also neighbors when she first moved to work at Baker College. We drifted apart some when we retired and moved to Florida. She and her mom visited us in Florida. We kept in touch but wish it had been more. God has an extra special angel as she was that here on earth to so many.

As mentioned in my previous post, Linda loved animals. Here she is with her beloved Shadow. She adopted him from a litter my daughter rescued. He was the most skittish kitten. She patiently worked with him until she won him over.

I'm so sorry to hear the news and send my condolences and prayers to her family and loved ones. From the time I started in 2018, Linda was always very friendly and supportive as I became acclimated to MCC. It was always a delight to run into her on occasion when our churches partnered up for worship. She will be missed.

Linda was one of the first persons I met when I started at Baker in 2001. She was one of the most intelligent, creative, and kindest persons I knew. The last few years have been so special with Linda and Paula, her sister, as Wednesdays became such a special time for the three of us. She was so clever at Monopoly Scrabble. She knew more words and was a pro at protecting her properties. Linda demonstrated her love of people in so many ways. She helped people out whenever she could. She loved to cook was always cooking incredible dishes for others, Mondays where her soup making days with her friend Kara. She made jewelry and passed out beautiful necklaces to everyone she met. She went the extra mile for many of her students over the years and was one of the best trainers I knew. I know they are going to love you in Heaven Linda and you are going to be so missed down here.
