Theresa Dupont posted:

Jim was one of the best men I have ever had the honor of knowing. Very grateful to have had him in my life as family. He was a true inspiration in my life and it was always my pleasure sitting down having a conversation with him. He will always have a special place in my heart and will be sadly missed. Theresa

Tammy Tolar lit a candle in honor of James.

Jim was a man of Honor! I had the pleasure of waiting on him, for ten years. I knew it was going to be a joyful day, when he stepped into the room, and if it wasn't, " it was my own danm fault!. A line I heard him say 1000 times, usually follwed by, " I better head West, before I head East." I will miss his stedfast humor, and joyful ways, emensly.
