I am so sorry for you loss Joni, Annie and Bill. Joni, I am sure he is up there looking for deals at TJ Maxx as he loved going shopping with you and having Joni time. I remember our last coffee date at Oddsides when he was doing so good thanks to the care and the love you all gave him. Soon you will be laughing at the fact that he was lost on the little Lakeshore bus probably enjoying all the sights. Joni , you had such a close brother -sister bond with him and I know he felt it. Lean on each other through this time of sadness and soon you will look back on all the life lessons and taught all of you. Much Love, Lori

Tom, I know Andy would've gotten a kick out of seeing you prior to his illness. I have several memories of you being at our house back in the day. Thank you for thinking of Andy and us during this time. Joni
