I have so many fond and fun memories of Sylvia. We spent hours, days, weeks hitting the road doing sales and trade shows for work for more than a decade. While she was a good travel companion she was a not so great of navigator (in the days before GPS) - in particular in the middle of nowhere Long Island in the middle of winter. I could fill volumes of books of "Sylvia and Michelle" stories. We shared a love of pop culture, music and dogs. She had a great sense of humor, loved a good meal out and she loved her boys so very much. Sending love to Jacob and Adrian. May she now rest in peace.

Nobody loved flag day, but Syl. We laughed and crabbed over work and so much more. Car-pooling and you'd have the window open in the winter so you gave me a throw blanket. I can just hear you say, ""Oh, Beverley!" We'd laugh. We'd always laugh. My deepest sympathies to Dan, Adrian and Jacob.

Sylvia "Sheila" "Sparkles" - I'll never forget our trip to Nashville when it was a beautiful 70 degrees outside and you had the air on inside the hotel taking your nap with your cute little eye cover on....We all had some good laughs over that!! We had a lot of good laughs over the years at all of the parties and rides we took. Although most of us haven't seen you in quite some time, I speak for us gals in the the Twin Lake Crew when I say you will be missed. Rest in peace sister. Condolences to Dan and the family. Love you all, Kim & Mark
