My favorite memory with Kathy happened during Jes & Tim's wedding reception! We'd all had a little to drink & someone had mentioned it was Kathy's Birthday! I talked the whole family into going over and serenading her with a great big "Happy Birthday" song, which she really enjoyed!!! She clapped her hands, stomped her feet and even sang along! She waited until we were all finished to say "Thank you, but my Birthday is not until next July!" We had the wrong Kathy!

Tim and Jes and family, so sorry to hear of your mom's passing. Thinking of all of you at this time and wishing you peace and great memories of time with your mom. Met her at your house last summer at a pool party and found her to be a delightful and congenial woman. She will be missed I know. Love you all.
