**M**rs. Brandy Sue Frederick, age 41, passed away on Sunday, August 11, 2024 at her home surrounded by family following a year-long illness. She was born in Albion, Michigan on June 4, 1983 to Douglas Fisher and Kimberly VanderKooi. Brandy was employed by Howmet prior to her illness. I miss you so much mommy. I think about you all the time, and how when I don't know if something could go in to the microwave I would go ask you and you knew the answer. I think about the concert you took me to even though you didn't like country music. I think about the Halloween party's and setting up the Christmas tree with you, going to lil machos basketball games and getting you suckers I miss doing your hair and everything with you. I even miss when you used to yell at me. I love you. Fly high 🕊️💜

I'm so sorry for your family's loss, Brandy would check on me and remind me how she loved and missed my mom that passed in 2018 who was a good friend from working at Nowak together. I attended a couple of Bianca's birthday party with my mom and even little machos baby shower. You will surely be missed. Thank you for your support in the years I have known you. You are such a beautiful soul ❤️
