Mr & Mrs Selby were our neighbors when we bought our first house. What a wonderful family. Our youngest son Dan would go over there and knock on their door. Mr. Selby would come to the door and say, Irene, the cookie monster is here. Linda and Joann would babysit for us. You couldn't have asked for better neighbors. Irene is in heaven now and we will see her again. Our deepest sympathy to the family.

Grandma was one of the most gentle people I knew. If she loved you, she showed it. She backed and defended her family like none other and if you crossed someone she loved, you had better watch out! She was tolerant, giving, kind, fierce, loving and all things a grandma should or you would expect to be. She will be missed greatly, but celebrated for her long life! RIP Grandma Selby.
