I'm so very grateful to have had Mike and Diane as second parents in my formative years. I'll cherish all the memories I have with Miiiiiike (as we called him annoyingly) and I know how much he cherished me too. Catch all the fish up there Dad Elliott! You will be missed. Love, Allison "Worman" Marsiglio

So many fond memories of Mike. We would float the Thornapple River fishing. We would hunt Ducks and Geese. We played golf. Played cards and ate deep fried shrimp. I have so many stories; he was so much fun and such an honorable and caring man. He will be missed.
