I am so incredibly sad to hear about Larry. Gosh, I also have so many good childhood memories of Larry. He was good friends with my brother, Bryan, and was at our home alot and those boys and us, girls, too were always playing some sport or game with Larry leading way. We spent countless hours with Larry during those great childhood years. I remember Larry as so kind hearted, very industrious, creative, a problem solver, hard worker, and just fun. My Dad, Mr. Manning, always was amazed at Larry's tremendous athletic ability and talents and Larry's strength. One winter, Larry led the way and actually built this huge bobsled run in our backyard directing the boys. It was magnificent and a sight to see. Us kids spent so much time together doing so many activities and Larry was always there getting us going. I was always inspired to see him skate so well on ice at Hoyt Park. I remember too when his first niece and nephew were born how excited he was to be an Uncle and how he loved them so. Larry is a beautiful person through and through and I will miss him. My prayers are with the entire Hart family and his children. Beth Ann (Manning) Bechtel

I am so sorry to hear about Larry. My sincere condolences to the Hart family. As a childhood friend who lived two houses down from him (Southfield Village in Bridgeport), I have a lot of good memories of Larry. He, our neighbor/friend Paul, and I used to play every sport we could think of: sandlot baseball, basketball, football, golf, billiards, hockey, and more baseball, etc. I also learned a great amount from Larry for each sport. I fondly remember helping Larry build an ice rink in his back yard (he worked hard on this rink), and we gladly followed his directions. Also, I watched as he built a go kart in his garage. We were in awe that he knew how to make tacos as a kid, but we were glad to dine at what we called Larry's Taco Cafe. I will miss Larry. My thoughts are with his family and children. Bryan Manning

Alexis and Connor - there are no words that can express how deeply sorry I am for your loss. Your dad was a one of a kind man who gave freely of himself to everyone who had the pleasure of crossing paths with him. He was kind, thoughtful and generous in giving of himself to make a difference in anyone's life. I never met a man who truly loved all children - but you two being his greatest pleasure in life. I will be forever grateful for the role he played in Kassi's life. I have no doubt that you two will carry his legacy in everything that you do!! May God carry you through this truly awful time. Sending you my love, hugs and prayers.

May all of you be comforted in your time of sorrow. I'm so sorry to hear of Larry's passing. From other kind words it sounds like he left behind two wonderful children. I knew your dad as friend of my younger brother. He always had a smile on his face, and a wonderful energy about him. If I remember correctly he was a pretty good baseball player too. My condolences to all of you. Tony Cannon
