Brickelle Renee Berson June 11, 1972 - January 28, 2025

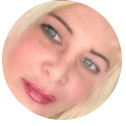

I was born on a warm sunny day on the 11th of June 1972, the youngest child and only daughter of John and Suzanne Berson. I remember having an amazing childhood. I was in gymnastics, ballet, and I ran competitively; I was a great friend and a day dreamer. Our family camped, skied, hiked, ran, attended each other's school activities, and went to the beach to swim and picnic together. As a toddler, I rode around on my Dad's shoulders while he coached my "Big" brothers' little league football teams. It wasn't long before I was cheerleading for their teams. As soon as I was old enough, I tried out for the cheerleading squad and continued as a cheerleader throughout my high school days at North Muskegon, where I graduated in 1990.

I furthered my education at both Rollins College in Winter Park, Florida and the University of Central Florida in Orlando. I was then accepted and attended Nova Southeastern Law School in Davie, Florida.

A sense of adventure was always part of my life - sometimes it was over the moon and other times, not so much! I was a designer, a travel agent, and a model in the South of France; I sold multi-million-dollar homes in South Florida and worked in sales for large corporations.

I found strength in solving problems for others. If you needed me, I could move mountains for you. Helping figure out a way was my "Super Power". It was almost perfect! My limitation was that I couldn't always find that same strength to help myself.

To my family and friends, I say this: Thank you for never giving up and for the unconditional love you always gave me. I never meant to leave you all so early, however God had other plans. I must say, "Goodbye" to my beautiful sons, Blake Taylor (Sneha) Whittington and Trevor Hackney; my loving parents, John and Suzanne (Carr) Berson; my caring brothers, Brock (Tamra), Bruce (Shelley), and Brent (Beth) Berson; my nephews, Brock Jr (Kate), Brett, Brody (Steph), Benjamin (Jackie), Brayden (Aubrey), and Brent Berson; my great nephews, Blaine, Beau, and great niece, Brooklyn Berson. I am with my dear grandparents, Robert and Marie (Collins) Carr and other relatives and friends who have gone before me. I've found peace now; someday we'll all be together again.

I only recently found out about Brickelle's passing. She was just a baby when I was her teenage babysitter on Moulton Ave along with the Berson boys. Such a sweet family! Brickelle was the most beautiful baby. I'm saddened to read of her passing. Rest in peace beautiful child. Lori Precious
