To my dear Katie, I unexpectedly found out you were not only sick, but now gone. I am overwhelmed with sorrow, regrets and grief. Just today I remembered saving a seat on the bus to school, we were friends and into high school, marriage and children.. So many memories.....I am so proud to be your friend. I'm so sorry for the loss of this beautiful girl. My condolences to her husband, sons, grandchildren as well as her parents, sisters, brother and friends. She was my beautiful niece and Goddaughter and was such a sweet and beautiful soul. I regret that I didn't get to spend much time with her and my sweet niece Jennie since they lived so far from me. I have always loved the time that I did get to spend with her and Jennie although it was never enough time. I was so inspired by Katie's grace and love for our Lord through her illness. I am so happy that she is with Jesus and those that have gone before her. I'm happy she is no longer suffering with this illness. She truly went through a lot with dignity and grace thinking only of how this affected those she loved. I can't wait to be reunited with her where we will get to have a glorious future. I so love you dear Katie!

I have known Katie for many years, as well as her whole family. She was funny, sweet and kind. We had the memories of her coming to my place coloring my hair, which was her favorite thing to do. Sometimes she would bring us latte drinks. She always had a smile on her face. You will be missed by SO many people Katie. RIP Love, Sandi ❤️❤️

I am Katie's dad. Katie was truly the sweetest and kindest person I've ever known. It's easy to say this as her father, but each and every family member and friend would likely say exactly the same. She was gentle, caring and full of love which she readily shared with people of all walks. I always regarded her as an angel and I marveled at her sweet countenance. I wondered how anyone could be so kind and sweet. She was totally wonderful. She loved her husband, sons and all of her family greatly. She loved the Lord God and loved children, animals and nature. She had very close friends and a special relationship with all of her former students that she taught to be cosmetologists and outstanding stylists. In my entire life I never heard anyone enter anything but loving and respectful words regarding Katie. She had a lovable sense of humor and was decent and highly moral all of her life. She was also extremely responsible and empathetic of everyone. I always said that God put really special people like Katie here to show His love for her and all He used her to minister to. I saw her as an example and proof that people could regard one another with loving kindness all their lives if they humbly walked with God as their Father and true companion. She adhered to God's greatest commandments that we love the Lord our God with our whole heart and love our neighbor as ourselves. This she did as part of her nature. She took the talents and gifts God endowed her with and enhanced and spread these all around her. God used her mightily as a willing vessel that honored Him every day. The pain and struggles she bore as a victim of cancer were considerable, but she maintained her walk with the Lord and the love of others every step in her life. We were blessed by an answer to many prayers that her last days would be peaceful. She struggled some in the last moments, but gave her spirit to the Lord while surrounded by family on Saturday, 7/5/25 at 3:50 pm. We greatly mourn over losing her, but she is home where God promised us He would prepare a place for us in order to ever be in His presence. No more pain or suffering, but instead, peace with the Father King for all days. Thank you, Almighty Father for gifting us with beautiful sweet Katie. We are grateful for this true blessing. She will forever be in our hearts as she dwells with you. Touch our souls, we pray, with the same love you instilled in our beloved daughter, mother, and true friend, Katie.

I was blessed to have Katie as a classmate and friend (holton class of 1993). She was one of the girls who always had a smile on her face. I also got to watch her grow in her faith thru Decolores later in life. My thoughts and prayers go to her family during this difficult loss. She was way too young, but we know she was greeted with open arms by our Lord and savior.
