Lynn Behler

FEB 1, 1966 - AUG 2, 2025

Lynn Behler, age 59, passed away at her home on Friday, August 1, 2025, in Lyon Township, MI. She was born on February 1, 1966, to Dale and Clarice (Henson) Behler in Livonia, MI. She graduated from Canton High School in 1984 and earned her CMA at Ross Technical Institute. Lynn was known for her deeply caring heart for the elderly and those in need, which is why she pursued a 29-year career providing home healthcare to patients and as an intake coordinator at Trinity Health. She enjoyed music of all kinds (especially classic rock and Christian worship) and shared that love with her daughter, Dana, as she grew up. She was always up for playing games and sharing laughs with her family and friends, and most of all she adored and loved doting on her grandchildren who referred to her as Gigi. Lynn is survived by her daughter, Dana (David) Michaels; father, Dale Behler; sister, Leigh (Phil) Timlin; grandchildren: Silas Michaels, Selah Michaels; nieces and nephews: Anthony (Kimmi) Timlin, Nick (Kristen) Timlin, Kate Timlin, Kellen Timlin, and also her spunky cat Charlie. She is preceded in death by her mother, Clarice Behler; and stepmother, Jeannene Behler. Despite her diagnosis of Multiple Sclerosis and the painful side effects she endured, she remained positive and focused on the Lord and strong in her faith and relationship with Jesus. In lieu of flowers, memorial contributions can be made out to National Multiple Sclerosis Society. VISITATION will be at 1:00 PM on Monday, August 11, 2025, at the Lee Chapel, 6291 Harvey St. Norton Shores, MI 49444 with a MEMORIAL SERVICE at 2:00 PM, desserts and refreshments following. Arrangements through The Lee Chapel of Sytsema Funeral and Cremation Services. A burial of cremated remains will be held in Northville at a later date, still to be decided. Please consider signing the family's online guestbook and share memories at <https://sytsemafh.com>

Even though it's been a few years that I saw Lynn, I will never forget her. Her kind spirit and her kindness. We shared the same feelings about our grandchildren that they were our entire world besides our children. I'm praying for comfort and strength during this difficult time to Dana and family. May God comfort you and give you strength. Please keep us posted if there is going to be a memorial near where she lived. I'm sorry I'm not gonna be able to make the drive.

I know you are in the arms of the Lord and no longer suffering. I only had the privilege to meet you once with Mary. You will be missed.

I went to see you at Trinity Health when you were in-patient this past spring. We were just catching up and you were braggin' on the grand babies as usual and we were having a great time. I asked you if you wanted a piece of gum, and you said "Sure." So I started digging in the bottom of my huge bag. That's when you started to laugh and asked me was it going to have purse lint on it and smell like perfume. And would it be just half a stick? At that point, we were laughing so hard we were crying. Growing up in the Henson family you would understand about half sticks of gum from the bottom of a purse. Nursing staff came running in to see what all the laughter and commotion was about. Your oxygen alarm was sounding. I was laying across the bed and we were holding hands laughing so hard we were crying. You told the nurses that I need the oxygen worse that you did. It went downhill from there. I think we laughed for another five minutes. So many great memories my sweet Lynn growing up together, growing close together. I will miss you. I know that reunion you're having in heaven is amazing right now. Rest easy sweetheart. All my love, Sheree.

Delores Joyce lit a candle in honor of Lynn.

Lynn.. I lit this candle for you because you were light in the middle of darkness. Darkness meaning, the pain and suffering you endured, and yet you still tried to remain positive and work hard. It was just last week you and I prayed together over the phone. I remember the times we shared family stories laughing and talking at work prior to going remote. We shared the same cubicle space and you always greeted me with "Hey D." And you never hesitated to say "I love you D" and I would say "I love you too my Lynn. I hardly ever seen you sad, and even though you had ups and downs like most; you suppressed it and continued to do your best. Yes, you indeed worked hard my friend, and now it's time to rest. We were as close as sisters, and although you are physically gone, you will NEVER be gone from my heart. ❤️.. So in closing, and with a tremendous heavy heart 💜 I want to say, rest in Jesus my dear sister/friend I will truly miss you..I Love You.. Sincerely Delores Haggen Joyce Insurance Specialist From Trinity Health At Home
