I have known Donna for many years, from the old Unity when our children were young to current days at Unity. My sympathy is with the family at this time of mourning..

Cal, sorry for the loss of your mother. I have a fond memory of your mother from when I was in nurses training back at MCC. She was one of my instructors. At the beginning of the the class she informed us that she did not give A's and stated her reasons. Upon completion of class she told us that she had to make an exception to that, and she gave me an A. I've never forgotten that and it has motivated me over the years in many different ways. Prayers for you and your family.

Donna and I used to sit next to each other in choir at Unity Reformed. We had such a good time helping each other with the music and laughing when we would make a mistake. I missed her when she no longer was in the choir. Our sympathies to the entire family.
