Marian Orita Chadwick

JAN 29, 1949 - OCT 14, 2025

On October 14, 2025, Marian O. Chadwick passed away at her home. She spent her life serving others. Whenever anyone visited, she was so happy to make you feel welcomed and comfortable. Her home was always clean, warm, and welcoming. She loved to laugh and talk with friends, she spent a lot of time with the special people in her life, her doors were always open all the time for the people she loved. She would help her friends with anything or in any way she could whether it be a ride or a place to stay for the night or some groceries, whatever she had she would help or give. She loved to talk and sometimes it was hard to get a word in. Her struggles in life made her full of wisdom for whatever problem you were facing and a great problem solver. She loved hard and always showed up for anyone. She will be remembered for her hospitality, her love, and her kindness. She left behind her special friend Brian Redford and Daughter Traci Connett who lives in Simi Valley, CA where she hopes her mother rests in peace in Heaven. Arrangements through The Ravenna Chapel, 3570 Thomas St. Ravenna, MI. 49451. Please consider signing the family's online guestbook and share memories at <https://sytsesmaf.com>

I lived across the hall from Mariann for 2 years. She was the most quiet, respectful, loving and caring woman I have ever been proud to call a friend. She loved my son dearly and always was so excited to see us. she always welcomed me over for a chat or if she needed a shoulder to cry on. I am going to miss her bright smile and her laughter that filled a room. RIH dear friend! Until next time🙏🙏

I am her daughter Traci. I didn't know her but knowing she was loved and cared about and not alone fills my heart with joy. Thank you to those who loved her just the way she was.
