## **Kailee M. Williams**

MAR 1, 2007 - OCT 20, 2025

**K**ailee M. Williams, age 18, passed away on Monday, October 20, 2025, surrounded by her loving family after courageously battling injuries sustained in a car accident. She was born on March 1, 2007, to Adam Williams and Amy Supernaw in Grand Haven, MI, which she proudly called home for most of her life. In 2020, Kailee called Arizona home, where she graduated from Shadow Ridge High School and went on to earn her Certified Nursing Assistant (CNA) degree. Kailee was a young woman of many talents and beautiful contrasts. She was a skilled athlete who loved both softball and basketball, and an adventurous soul who felt most alive outdoors, whether covered in mud from riding quads or out on the water swimming and fishing. Kailee was equally comfortable running an excavator alongside her dad or helping with firewood as she was getting her nails done and dressing up. Her strong, bold, and independent personality left a lasting impression on everyone who knew and loved her. She had a rare gift for making connections; Kailee truly never met a stranger. Her big heart, loving spirit, and compassionate nature drew people to her; qualities that shone through in her care for her patients, her friends, her family, and especially her daughter, Aliya. Aliya was the light of Kailee's life, through her, Kailee leaves behind a legacy of strength, courage, and unconditional love that will be cherished forever. Kailee will be deeply missed by all who were blessed to know her. She is survived by her parents, Amy (Dennis Jr.) Supernaw and Adam (fiancée Corie) Williams; daughter, Aliya Sage; siblings, Ashley (Tanner Stark) Betz, Josh Davis, Jacob Williams, Gabby Lyon, Megan Supernaw and McKenzie Terveer; father of her daughter, Adam Middleton; grandparents, Joe (Cindy) Cook, Dave (Linda) Castagna and Dennis (Dianna) Supernaw Sr; aunts and uncles; Tom (Sonya) Castagna, Brenda (Dan) Weiss, David (Crystal) Castagna, Eric (Kim) Williams and Debbie (Chip) Norwood; special aunt, Sandy Veldt; several loving cousins; numerous great aunts and uncles; many cherished friends; and dear pups, Bubba and Daisy. She was

My heart hurts for you Amy & Adam. My best memory of Kailee is when she came to ask if she could take our dog Gracie for a walk. But Gracie wouldn't go unless I did. So the three of us would walk around the block talking and laughing. Everyone that was fortunate enough to know Kailee will miss her smiling face and her great personality. R.I.P. sweet girl. loved you from the very first moment we became friends — it was like my soul recognized yours. There will never be another light like you, Kailee. You were pure in a world that didn't always deserve you, and I'll always be in awe of your heart, your laugh, and the way you made people feel loved without even trying. I wish I could've had more time with you, more memories, more moments to tell you how much you meant to me. I'm so sorry life was unfair to you ,you didn't deserve any of it. I'll carry you with me forever, girl. I love you endlessly

Kailee May walked into my life during her freshman year of high school. My daughter Naomi came home and asked if she could have a friend over. Of course! I was so glad she was making friends at her new school in a totally opposite side of town than we had been living. Kailee walked in bright, funny, and immediately made herself part of our family. It wasn't long before her and Naomi were inseparable and there wasn't a moment I minded her being at my house. She called me "Ma" and made herself at home. She never hesitated to jump on me in my bed if I was already asleep when she got there, because she had to make sure I knew she was there and that I was loved. She had a code for our garage and would come over even when Naomi wasn't home, just because. If Kailee wasn't at our house Naomi was at hers. I had gained a bonus kid and Naomi had gained a bonus mom in Amy. For her baby shower, I asked if there is anything I can bring? And like always, the only thing she wanted was buffalo chicken dip. I made that kid more buffalo chicken dip while she was pregnant than should be allowed. When she had Aliya, she would be sure to bring her over for me to snuggle and love on and there was no doubt that she loved her more than anything in the world. Kailee always made a point to check up on me and would randomly text, Hey Ma, is it ok if me and Liya come by? The answer always being yes. When she graduated, she faceted me, so excited, to show me her diploma. Look Ma! I did it! She said she wanted to get a diploma display to put it in, so of course I ordered it, with her still on facetime then told her when I would have it. Giving her that was one of the last times I got to see and hug Kailee, but there were always check ins and I love yous. Her laugh was contagious, and boy could that kid pull you out of a bad mood with her silliness. My heart is broken. My mind can't reconcile what has happened. I have been so fortunate to have her make the beautiful mark she made on mine and my family's lives and will forever love and miss her. Nobody gets left behind or forgotten.

I love you Kailee , ive never had a friend who felt like a sister , she always made me feel recognized regardless of it was the tiniest thing she just knew she never made me feel unwanted or unappreciated. You lit the room up as soon as you opened your mouth and cracked a joke you had the best humor and could make even the saddest person laugh. You made me feel like me and matched my energy to the T, you will truly be missed long live your beautiful soul. #FLKW

I remember when she was pregnant with Aliyah and I needed someone to babysit my daughter while I worked. She was 16 and little did I know she'd become so close to me and my babies. Kailee was a light in not only my kids but my life as well. While she may have been 15/16 she taught me so much and was such a ray of sunshine. It feels like yesterday we were hanging out and letting the kids play and she made her amazing spaghetti for dinner. I'm so happy to have gotten the chance to have such a wonderful person in our lives.
