Paul Dominic Jarvis

MAY 28, 1965 - JAN 1, 2026

Paul D. Jarvis, age 60, passed away peacefully on January 1, 2026, in Muskegon, MI. He was born to Glen and Karen (McCann) Jarvis on May 28, 1965, in Quantico, VA. Paul served his Country in the U.S. Air Force and was honorably discharged. He married the love of his life, Christina S. Blackwell, on June 25, 1995, in Muskegon, MI aboard the Port City Princess and they spent 30 wonderful years with each other. Paul was an avid reader and enjoyed sci-fi books. He loved listening to music, especially rock and the blues. He attended renaissance festivals and spent time around campfires with friends, and he was known for his sarcasm and sense of humor, both of which will be greatly missed. His favorite way to spend the day was just being present and spending time with Christina. Paul is survived in death by his parents: Glen and Karen Jarvis; spouse: Christina Jarvis; child: Jacob Jarvis; sister: Stacey (Jim) Powles and nieces and nephews. Arrangements through The Lee Chapel of Sytsema Funeral and Cremation Services, 6291 Harvey St. Norton Shores, MI. 49444. Paul was a big brother to me. No matter how far apart we were, no matter how long it had been since we had a laugh, or shared a story, it was like picking up a conversation that never really ended. Some of very best days of my life have been the ones I shared with he and Chris. They are part of my found family, and the loss is profound. But, the memories I get to keep and share with my own children about this wonderful friend I have been so lucky to have for so long are a gift that he gave to me. I will miss you so, so much. Love you always.

I loved the way he loved Christina. He loved watching birds. He loved his puppies. As you can see, he loved easily and deeply.

My fondest memories of Paul always go back to how much he loved his wife, Christina. Chris is my niece and when she brought Paul into our family, it was easy to see how much they loved each other and were true soul mates. Paul was so special and once you got to know him, you saw his humor and strength in many ways. You will be so missed Paul. So very missed.
