Kim loved going out on the water, so every summer we would venture out and have a great day of sun and fun. Last summer her son Matt was visiting and joined us and I thought, we will go check out Mona lake. Unfamiliar with the lake, we were pulled over within minutes for going to fast in slow no wake. During our contact with the sheriff patrol, I was unable to get a word in because Kim was charming the heck out of them. I just let it roll and we were off to enjoy the day within minutes. Kim and I had a lot of fun over the years in GH especially during our High School days. As we grew older we enjoyed many Fricano's pizza's together and would talk for hours. I will miss you my friend.
