She was a devoted wife, loving mother, cherished grandmother, and proud great-grandmother. Known for her compassion, kindness, and generosity, she touched the lives of all who met her. Aunt Resa was one of a kind. She always had a smile on her face and a hug ready. She always showed up for family functions. I believe the best gift you can give is the gift of time. She mastered that. I went to visit her the last week of her life and she told us she was a champion that she was. When I left she said I love you and I loved her as well. May she rest in peace.

R.I.P Aunt Resa. I remember the days when we were little, and we would always be over playing and hanging out.
