We sure loved Uncle Bud. He would spend the winters in Florida by us and we would always talk about the family. Bud and Evelyn would keep us up to date with everything that was doing on. We had so many unforgettable fun times with them. Always laughing and enjoying our time together. We will always cherish the memories of the family holidays at his house on the lake.

We mourn the loss of Uncle Bud. We will cherish memories of summer holidays spent at his lake home. Family gatherings were always a blast, dune buggy rides with Duke in the back seat, horseshoe games, fireworks, music blaring from the garage window, basketball, balloon ascensions, roasting hot dogs and marshmallows by the bonfire. Good times. Always in our hearts. Connie & Gordie, Megan, and Molly Dahlgren
