“ My memories started with Bonnie in 1993 when I went to work for GTE. She became a true friend, someone I could talk to, laugh with, and cry too. One memory that brings a laugh to me is our road trip to Memphis, me, Bonnie, and Larry(never a dull moment with those two). There was another time when she asked me to drive her parents to Memphis, that was very interesting too (ask Little Ricky). Even after moving back to Arkansas we continued to have our phone conversations regularly, when something worth reporting happened she would definitely be called. She was always on my visit list when I returned to Muskegon for my annual visits. I have many memories to cherish and I will never forget my friend. I send my heartfelt condolences to her family. May God Bless and keep you all. Friends forever, Mackie Stewart-Freeman and family of Forrest City, Arkansas
