“ Marlies, Brad, and Miranda,

Doesn't seem that long ago that we shared life together in our fellowship group at AACRC. You all were a blessing to us there, and Brian's thoughtfulness was a part of that. He will be missed. Praying that God's love will surround each one of you.

In Christ,

“ Marlies, Brad and Miranda, we lack words to express our feelings to you, and human words seem inadequate to bring you comfort and peace. So, we recall Jesus’ simple, profound promise to all of us, “I am with you always...” more than words, his Presence... until the Day we see him face to face. Lou and Linda

“ Marlies, Miranda and Brad,

Words cannot convey how sorry we are for you all in the passing of Brian (to us fondly known as Neighbor Brian). We are honored and blessed to have known him and we will never forget the kindness he had shown us. I recall being out of town and David was stuck at the Canadian border and couldn't get home in time to meet the girls after school. Brian didn't hesitate in heading over next door to ensure they were OK. Andrew recalls being invited on a hunting trip where he and David spent a few days with (Neighbor) Brian and one of Brian's friends at their cabin. Andrew remembers how much fun he had – even after he and David got lost in the woods... LOL. I remember often when David would head out to cut the grass and after an hour or so I'd wonder “why don't I hear the lawn mower running?” – then I'd look into the backyard only to find he and Brian chatting over the backyard fence. These are just a few of the wonderful memories we have of Brian and we're certain he's touched others' lives in a similar way - with his smile and kind-heartedness. Although you've lost a loved one here on earth, you have gained an angel in heaven that will watch over you forever. May God give him eternal rest and may he bless you and give you strength. Our most sincerest condolences, Taia, David, Emily, Abby & Andrew

“ We are so sad to hear of Brian's death. I was just thing of him the other day, when we worked on something or other at AACRC. My only memory of that experience is that Brian was a sincere, caring and kind man. May you find comfort in the good memories you and others have of Brian. I find that gratitude covers a whole lot of sadness, and there is surely much to be grateful for, in remembering Brian. God Bless, Ruth Mieras

“ Marlies,
We are so sad to hear of your loss. Brian was a great man and one of the most sincere people I have ever had the privilege to know. I enjoyed working for him at Spring Engineering but enjoyed his friendship even more. Wendy and I still miss going to the Firefly jazz club with you both and remember it fondly. We are praying for you and your family through this difficult time.

God bless
