“ Mike and Scott: So sorry to hear of your loss. I loved that Lady. She was the big sister I never had. When dating Bob and I would stop and visit her and your Dad (that's where I learned to put peanuts in my coke.) through the years we would just stop and visit. We were always welcome and the coffee was always on. Wonderful memories of your parents. They raised two great boys. Love and prayers Carol Ellis

“ Just now came across the obit for Charlene I was so saddened to find she had passed away. I often wondered where she was living and would have loved to visit her. I went around with Charlene when we were young and in high school. We had so much fun and laughs. She lived on Leahy and I on Maffett and the others in the group was Shirley Lascko, Donna Dutton and Ruth Scheel Donna and I are the only two left. She was a one of a kind friend and I will always remember her with kind thoughts and love. God Bless my dear friend. JoAnn (Veeneman) Osborn.
