

David (Wayne) Walker

September 29, 1959 - November 1, 2020

Mr. David (Wayne) Walker, age 61, of Grand Haven passed away Sunday, November 1, 2020 at Spectrum Butterworth Hospital surrounded by his wife & children. He was born September 29, 1959 in Monette, Arkansas to Henry and Mary (Petersen) Walker. On June 13, 1981 he married his high school sweetheart Reta Van Vleet in Holland.

Wayne graduated from West Ottawa High School and retired from Hart and Cooley in Holland. After retirement he worked for Walmart for a few years where he enjoyed his time playing Santa. He had many hobbies over the years, but being an avid outdoorsman and conservationist were lifelong passions. Touching many lives and passing on his knowledge to the next generation along the way. He enjoyed countless years spending time fishing, hunting, and camping with his friends and family. Most of all he was a devoted family man and will be greatly missed.

He is survived by his loving and devoted wife of 39 years, Reta; two children: Danielle (Jeremy) Schmidt, and Luke (Brittany) Walker; grandchildren: Madison, Athen, Emma and Anni; father, Henry D. Walker; brother, Jeff (Dana) Walker; several aunt and uncles and their families and the entire Van Vleet family. He was preceded in death by his mother, Mary; in-law's, LeRoy and Lula Van Vleet.

Due to COVID 19 a private celebration will take place. In lieu of flowers memorial contributions in memory of David may be given to the [Michigan United Conservation Club]<https://michiganunitedconservationclubs.z2systems.com/np/clients/michiganunitedconservationclubs/donation.jsp> (2101 Wood St, Lansing, MI 48912). “ My sympathy to the Walker family. I first meant Dave at the North Ottawa gun club. We shot skeet together as we both enjoyed the sport. His son Luke was also a target puller. I had a lot of fun and conversations with Dave. A great person. He will be missed. David Bultema

“ I have left a couple of Tributes here but I don't see them. I do not want proceed without leaving another message. We were very fortunate to have been able to meet Reta at the NICU when Our extreme Premee baby granddaughter came to us much too early. Reta quickly became my daughters favorite nurse. Dave and Reta came to our place up North to celebrate Lorin's 1st birthday party. The rest is history as Dave and I quickly became friends who loved fishing and hunting. Each spring and a each winter, and a few times in between, we would hit Pickerel Lake for some Blue Gills, Rock Bass, Sunfish, Perch, Walleye and what ever Pickerel Lake would through at us. I have a nice buck mounted and hanging on my wall that I got while bow hunting with Dave at his cabin. Dave and his family became as our own family and we shared many good stories, activities, and a lot of good eats, as Dave was a super cook. We will miss Dave a ton but we will leave the lights on and the door open and welcome Reta and the family to our place anytime.

“ We have been honored to have had times to visit, hunt, fish and share many memories and stories. Dave so much enjoyed catching Bluegills, Rock Bass, Sunfish, Perch, Walleye and what ever else Pickerel Lake could scare up. We Never had an issue as to who was catching more or bigger fish but we generally always caught what we wanted. I have a nice Buck mounted that I got while bow hunting with Dave at the cabin. The memories go on and on and much deeper than that. We considered Dave and Reta as family and they were always welcome to come up here. We will certainly miss Dave and the good times we had, but we will leave the light on and the door open and welcome Reta and the family anytime.

“ I always appreciated how Dave took Jeremy and Athen into his hunting and fishing fold. I know they will miss that tremendously. And any time I would happen to stop over at the house, Dave always had very interesting stories to tell. I'll never forget how he helped me out by changing the lock on my garage door so my sister-in-law could get in it while I was on vacation. Danielle asked him and he just stepped right up! He will be truly missed by all.

“ I've known Wayne since I was in 6th grade in middle school. We've hunted and fished and fought together. Never did I think I would be reading his obituary this soon. He has a couple of my duck and goose calls I make and loved that he came out to Hamilton to my shop to visit. Wayne I'm going to miss your posts of fishing and hunting with your grandson. Till we meet again my brother. RIP

“ I don't even know where to begin, first of all our thoughts go out to your family at this very difficult time. Dave, our neighbor and our protector. Our family felt safe because of him, his number posted on fridge and in our daughter's room because we knew if there was ever a problem he would handle it. We will miss our over the fence talks, sometimes could last up to an hour. We will miss your fish fries and so much more. Gone too soon Miss you neighbor!! Reta, Danielle and Luke and families we are here for all of you

“ I met Dave while working at Walmart. He was always upbeat, had something fun to joke about. He loved his outdoor hunting and fishing. Always wanted him to visit with us up here, but we never worked it out. I never got to meet Reta, but I send my deepest sympathies. He loved you and his family. We lost a good one!

“ Wow, we were so shocked to hear about Wayne's passing. We know 1 by 1 God is calling us home. Wayne, you will be missed! You were such a good guy, we loved that you came out for mom's 80 th birthday party (we know Rita you would of joined him, but your work schedule wouldn't allow you to join us that day!) Wayne was always there for his family that's for sure! We loved seeing all of the pictures of him and grandkids hunting and fishing. He definitely taught them well!
Rita and family my heart breaks for you all, Rita you lost your best friend & husband of many years! Danielle and Luke you lost your dad, and what a great dad he was! You will need to keep his memories close in your hearts. We pray God will give you the strength to do just that! We are so sorry for your loss! We all loved Wayne, he was a great guy, a fun cousin, back in horse show days he was always there cheering us on! Now he'll be with all of the ones who went on before us, including his precious mom who I know was waiting for him to arrive! Also Harlan & Jody, Infact Harlan is probably talking about hunting & fishing with him right about now!
Jeff and family you lost your big brother, we are so sorry for your loss! We know what it's like to lose a brother and sister, it hurts so much!
Uncle Dee, you lost your oldest son and friend. I can't even imagine. We are so sorry, but knowing he's now with Jesus and aunt Mary helps us get through these sad times. We love you all, and pray God's peace and love will see you through this sad time.
Big Hugs & Prayers,
Love, Vicky & Verl & Chase & Cassie Bleeker

“ Words cannot express how much Uncle David means to our family. David and Reta jumped into our lives when Reta cared for my daughter Lorin in the NICU, and once they entered our lives they were never allowed to leave! Uncle David left a huge impression on our lives and we will be forever grateful to God that He saw fit to put our families together. Our lives are richer and sweeter because Uncle David loved us! He will be so greatly missed by all of us! We have loved him so much and we will always love him! Every season will find us missing Uncle David more and more and missing all of our family traditions!! Thank you, Uncle David, for loving us and investing in our lives....you have changed us forever....for the better!!
