“ Uncle Frank was always a big part of the yearly family reunions and he was the master bonfire! He was always trying to make sure everyone enjoyed themselves. He would take people out on his boat. I remember some of the great fireworks displays he would do for all of us!! I will always treasure all those great times with Uncle Frank up at Aunt Cathy's place!

“ I loved Frank from the first day we met in 1986. He was a great man, with a big heart. He helped so many people in our industry. Frank's honesty and sincerity was very refreshing. He recruited me to work at Aldik. I was hired because of his word and leadership. I am one of many that can share this story. I look forward to seeing him again. Jesus is saying, "well done Frank." My thoughts and prayers are with Mary and the Eisenhower family.
