“ Harley was a lifelong friend ...sailing, skiing, and just hanging out together! We first met at the Gas company and he took us under his wing! We vacationed together in Colorado, the Bahamas & as partners for many years on the sailboat in Whitehall. He was a loyal friend and we miss him! Here's to our many good memories, Dave & Cami

“ So very sorry. My favorite memory of Harley is the first time I drove up in my Prius and Harley told me it suited me much better than the Lincoln Town Car I had been driving. What a sweetie!
