“ Dearest Rich & family,

My deepest sympathy in the loss of your Mother. I don't think I every saw her without a smile on her face. She did love her flowers. May she rest in peace in the arms of the Lord. God Bless

“ Our condolences to all. What a a strong, creative and intelligent woman she was. I so enjoyed my time working at the flower shop with all. Such memories. For now, I'm going to dig out Helen's clam puff recipe. We usually have them around Christmas, but I think this weekend is a must.

PS That clam puff recipe has been passed on the children as well.

 “ Helen was an extraordinary woman in so many ways. Her warmth was off the charts. My grandmother, mother, and I appreciated her kindness and friendship to each of us. Sending thoughts of peace and remembered happiness as you remember your mother.

 “ Rich and family I have a number of fond memories! Of course one was when your mom and dad entrusted Byron and I to park the cars of their guests for a party of there's. That was a risk but we provided! The other more lasting memory was your flower shop. It just put a smile on your face when you walked in and you were greeted by Helen. She Was Spring Lake!

“ The Holland family is a bedrock of the community where I grew up, and Helen Holland was one of a kind. I still can so vividly remember the family flower shop and how she always seemed so genuinely happy to see you. A warm, wonderful and special woman. She will be missed. Godspeed, and deepest condolences to her family.

“ So sorry to hear of Helen's passing. She was a neighbor of ours. She patiently. taught me about flowers and arranging them. Ron taught me how to grow them. Now they are together again. I will never forget Helen's kindness to me and am thankful for the hard boiled eggs, prayers and most of all her friendship DeePodehl

“ I am sorry for your loss. Your parents allowed me to trap muskrat and hunt turkey. I had a number of great conversations with them. They referred to me as Trapper John. They were great people.
