“ I was blessed to have sung with Ingrid with the Celebration Singers and White Lake Chorale. She was a lovely lady, and I wish we had had more contact socially outside of our singing groups as some of her interests paralleled mine. I'm glad we did share our love of singing. She was missed in our section at Chorale after she left the group.

“ I was so blessed to have Ingrid in my life for so many years. She was such a big part of my kid's lives and her love and calming presence has meant so much to them and to me. I didn't get to see her as often as I would have liked in later years, but whenever I did, her warmth and kindness made me feel as if no time had passed. I will think of her often. Rest In Peace Ingrid, and thank you for all that you gave to us.

“ Growing up as a kid, my Dad Steve would take us to visit grandma and the family. she was always loving and caring to everyone;plus, she always told us to “ Catch Mr big.” I will always be very grateful for her guidance in life and just talking to her during a rough time as a teenager.

“ Greg and I want to give you are heart felt condolences! We so enjoyed being a neighbor of your moms at Brookfield Park. She was a sweet lady. I always enjoyed coming home and seeing her crochet in the front window. Many prayers for you.
