“ Oh Jack. You had become such a big part of our lives. The kids would light up when Mr. Jack pulled up. And Beo, he always knew you'd share your meals with him. We miss you and are praying for your family. Rest well, Jack. You earned it.

“ My Brother my best friend, a genuine heart of gold; so giving to others before himself. He was always there to listen or talk about anything in life,, a truly caring, loving person. I will remember all of our good times together. I will miss him dearly and will miss our Sunday night talks on the phone.

God Bless you Jack,,keep looking at the moon!

Love your sister Susan
