

James L. Havermans

May 7, 1956 - February 12, 2022

Mr. James Lyle Havermans, aged 65, passed away February 12, 2022. He was born in Muskegon, MI on May 7, 1956 to August and Shirley (Kramer) Havermans. James was a much-loved member of the Egelston Township community and a successful business owner in the area for more than 30 years. He always woke early and had a strong work ethic; these values have no doubt been instilled in the loved ones he leaves behind. An eternal optimist, he always liked to share a joke with friends, and had an infectious smile and mischievous twinkle in his eyes. In his free time, Jim loved the outdoors, hanging out at the pool, boating, driving his golf cart, thirsty Thursdays at the Carlson's but most of all he loved the people he shared these memories with. James was most proud of his family. He loved his children and grandchildren; family gatherings were a favorite of his. His laughter that was always present was contagious. He will be greatly missed by many. SURVIVORS: stepmother, Betty Havermans; siblings, Doug (Becki), Linda, Sandra (Ron); children, Heather Havermans (Nick Geis), Josh Havermans and Jesse Prester; daughters by love, Whitney Chapman, Morgan Bowen; special person, Ronda McDiarmid; his loving grandchildren, many nieces, nephews, and loving friends, especially the Duffs. He was preceded in death by his father and mother and siblings, Ted, Nancy and Terry. A small graveside memorial will be held with immediate family. A Celebration of Life to remember James will be held at a later date due to COVID-19 concerns. Family members have requested that remembrances be made in the form of contributions to Jim's favorite charity St. Jude's Children's Hospital as that was always special to him.

“ *I'll never forget the first day that Jim and Steve Robinson started working for my Dad. The fishing trips on Steve's boat, when we thought we were getting away with them hiding the peppermint schnapps in the cooler and making me their beer B. Until about the 3rd time out and my Dad busted us, and I quote, " by the way Cindy, I places your Schnapps on the right side of the cooler and on top, so it won't take so long next time for you to bring us our beers." Jim, with that mischievous look he's known for, looks at me and says, " how the hell did you sneak that on here?" Great memories for sure. But my favorite memory was when I found out he married my friend Ronda. Life my handed you two a different hand then you wanted, but, I know Jim loved you and your family unconditionally. My heart felt condolences, Ronda and family.*

“ *Jim and I use to have such a great time rabbit hunting, he sure got a kick out of seeing the bunnies roll across the snow after they were shot, or when we got together with other friends and have poker games at each other's houses, shrewd business man, but a happy and good friend, he will be missed.*

“ The tide recedes but leaves behind bright seashells on the sand,
The sun goes down but gentle warmth still lingers on the land,
The music stops and yet it echoes on in sweet refrains...
For every joy that passes, something beautiful remains.
Our Thoughts and prayers are with you and your family during this sad time.
