“ Sally and Bill,  
I'm so sorry to hear of your Mom's passing. At family gatherings she always would greet me and we would talk a bit. These conversations were so upbeat and full of smiles and laughter. She brought a special sparkle to these gatherings. When my family was grieving she sent a card and a book of stamps. How thoughtful!  
I will miss her,

“ My husband and I bought The Chateau from Jan 6 years ago. We've been in contact by small mail and email since, and she and her sister, Janelle, visited us a couple of times, and were supposed to visit the first week of October. We do looked forward to seeing her again. We felt like we'd known her for a long time. Very proud of her family!

Our sincerest condolences to all.
