“ Aunt Rita,
We are heartbroken to hear about Jeff's passing. .Dave called him Jeffy. We are sending you love all the way from Texas. We were so happy we got to spend that special time with you and Jeffy last summer when we were in Michigan. It was a beautiful time together. Dave's beautiful memory is when both of them would stay with Grandma Dobb and make her crazy as she would also make them crazy. They both loved their Grandma Dobb. I (Princess) was so happy I got to meet Jeff and spend time talking with him over the years. He was very strong in his faith in God. We miss him dearly and will always think about the good times we had. Sending prayers and hugs. Dave said "Jeffy, eat all of your "ogens" up there in heaven."

“ Rita

I am so sorry to hear about Jeff, but knowing him he is in a much better place. I am so sorry that I was unable to go see Jeff prior to his passing. Growing up as kids we were the best of friends and this is the way that I will always remember him. I hope to see you one day soon and to reminisce about the fun times we had.

“ Jeff was loved by many. He and my mom Kendra were together for a while. Over 9 years. I have grown to know Jeff and love him like a father. My kids called him Grandpa. he was thier for me when my dad passed away a ciuple years ago, he shed them tears and gave me a big hug. It meant the world to me. when i got married a second time Jeff was sad he wasnt feeling well couldnt get around and wasnt able to dance with me. It meant the world to me he wanted to be thier. his spirit and personality always led us to wanting to be around him more. My family kids and I will dearly miss Jeff. He may of not had his own kids but with us he created a family and he became a grandpa. Ill always be the daughter Jeff never got to have. We love and miss you so much Jeff RIP

“ I have so many fond memories of my nephew Jeff. He was a soft spoken gentle easy going man with a great sense of humor. He remained so positive as he struggled with such a rare autoimmune disorder Morvans.
Now he is gods angel in heaven and has no worries. He will be missed by all the people he has touched , he has always seen only the good in people.
My sister Rita had such a beautiful close relationship with Jeff , always there for each other.

Love you,
Big Jeffery #1
