

## Keegan Broyce Harp

August 21, 1995 - May 21, 2020

Mr. Keegan Broyce Harp, age 24, passed away unexpectedly Thursday, May 21, 2020 at his home in Muskegon. He was born in Muskegon on August 21, 1995 to Lonnie and Donna (Hammerle) Harp. Keegan graduated from Fruitport High School, class of 2013, and was active with football, track, and cross country. He was a member of All Shores Wesleyan Church and was a certified personal trainer. Keegan loved life and made it his priority to consistently better his own life, while inspiring others to better themselves. He started each day with devotions and a morning run. His friend group was expansive, his personality was passionate, and his smile was contagious. He was generous, thoughtful, and helped create, organize, and lead free community fitness classes. He enjoyed snowboarding, jet skiing, hiking, and traveling. Keegan also loved to travel and had done so quite extensively. Keegan was injured in a snowboarding accident in 2017 and suffered a severe brain injury. Following his accident, he lost the ability to do many of the things he loved, however, he never lost his love of life, his contagious smile, or his positive aura. Keegan is survived by his parents, Donna Hammerle-Harp and Lonnie Harp; three sisters, Dawanna (Ryan) Overweg, Kali Harp, and Sarah (John) Sheahon; nieces and nephews, Austin, Megan, and Kammi Jarvis and Jason White; grandparents, Irma (Les) Heese and Deb Harp; aunts and uncles, Joe Hammerle, Dara (Brenda) Hammerle, Darlene (Louie) Main, John (Kris) Hammerle, Kelli Heese, Leslie Heese, Shelly (Marvin) Lorenz, and Robert (Wendy) Harp; many loving cousins, and his special fur family, Hoagie, Hank, Hal, Bo, Millie, and Kona. He was preceded in death by his grandparents, Joseph Hammerle and Barbara and Lonnie Harp, and his dog, Nova. A CELEBRATION OF KEEGAN'S LIFE will be live-streamed from All Shores Wesleyan Church at 2:00 PM Tuesday, June 2, 2020. His family will be available outside of church from noon-1:45PM for a drive-through visitation. You are then encouraged to park in the church lot and help celebrate Keegan's life by attending his service via a mobile device from your vehicle. MEMORIALS in memory of Keegan may be directed to Brain Injury Association of America. You may sign his online guestbook at [www.sytsemafh.com](http://www.sytsemafh.com) Arrangements by The Lee Chapel of Sytsema Funeral & Cremation Services, 6291 Harvey St., Norton Shores, MI 49444.

“ Keegan was one of the most joyful, driven, positive, and genuine people I've ever met. I was baffled at how he could be so positive and genuine to all everyone around him, all the time. Keegan was a great friend to me for the few years I knew him, he was always encouraging. Keegan was a perfect example of demonstrating the Love of Christ, and I know he is celebrating with Jesus today. I've been praying for Keegan and his recovery over the last few years, and I will keep his family in my prayers.

“ I met Keegan at Norton Pines and I can not remember one day that we talked that he did not have a smile on his face. I always looked at him and wish I had his energy and could smile as easy as he could. I have prayed for his recovery and his family to have strength daily, and will continue. You should be so proud of him. I know I was . So sorry.

“ Keegan became such a great friend and bright start to my mornings at Norton Pines. I haven't stopped praying for him since his accident and pray now for your comfort and peace as you navigate the waters of mourning but also celebration that Keegan is now exuding his energy in heaven, awaiting that time when he can do that with us once again. He is truly a great, wonderful man and friend.

“ Keegan,  
I remember seeing you at so many Herbalife events! I remember one October LDW where we were dancing ALL night until they kicked us out! I know you are no longer suffering and are now partying it up with Jesus! Can't wait to join you in Heaven man!

“ Donna, my heart goes out to you and your family. I never had the pleasure of meeting Keegan. But I know that as your son, Keegan would have been nothing less than as incredible as you. His spirit, his legacy will live on in all that he touched. May God hold you close and comfort you today and all the days ahead. Much love to all of you.

“ I saw Keegan grow up going to school with my daughter at Fruitport. He grew into such a nice young man! I didn't see him for a long time, but then he started working at Norton Pines. He was such a sweet, kind person who always seemed up beat. I am sorry for your loss.

“ I went to high school with Keegan & worked with him at Norton Pines for a few years - one time I found a huge spider while I was cleaning & called for him over the walkie talkie & he came & captured it & let it free outside!!! He said if he would've squished it with his foot it would've ruined his shoes  
Keegan was such a light to this world & I know it will continue on forever. ☐

**Emily Pieczynski** - May 22 at 08:30 PM

---

“ Keegan was a such a light in my life for years. He grew in so many ways from when we first met, but he never lost his goofy personality, his kindness, his giggles, his sense of adventure or his appreciation for the life God gave him. Something that always made us laugh was that he loved to pick people up. Literally. He was always lifting us up for hugs or throwing us around in the air. He was so sweet, so goofy, so loving. I used to say he was a big ol' teddy bear.  
Thank you to his family for raising such a wonderful person  
Keegan, you'll always be in my heart. Love and miss you so much buddy.  
Rest in peace angel

“ Kegan always had a positive outlook no mater what was going on. He looked for the best of every situation and had an infectious smile and sense of Humor. We always had our Michigan, Michigan State rival conversations. Kegan would go out of his way to make someone day sometimes even doing something anonymously that you may not have noticed right away but knew it was him. I have many great memories of the times he was around. Gone but never forgot. I like to believe Heaven gained another guardian angel

“ Keegan was such a kind spirit and friend to anyone. I met him through Herbalife, and he had impacted my life. I loved his laugh and his big smile. His nickname to me was Wolverine because when his hair and facial hair was long he reminded me of the movie Wolverine. I will miss you my friend! I'm sorry I can't make it to the visitation, but please know I've been thinking about you and I hope you're snowboarding the hell out of those slopes up there!
