“ Dear Bev and Family: There is something about losing your mother that is permanent and inexpressible a wound that will never quite heal. You know that I love you and the whole family. My prayers for you and your family and peace and comfort until you are reunited with your mother again.

“ Dearest Family, Bev.... I just heard that your mom has made her transition to Glory. Glory to Godhe certainly has brought home another beautiful Angel. I just loved Miss Lucy. I'd love to see her walking and I would say look at Miss Lucy and just smile. She was one of a kind and loved by many. Praying prayers of comfort to you all. God Bless.

“ Beverly and family,
I am so sorry to hear of the passing of Miss Lucy. She was a beautiful woman and so good to me as a kid. I'm so glad I got to see her last year. She will be missed by so many as she loved and was loved by all that knew her.
