“ I must admit that I'm truly hurt by this and she will be missed deeply, so many memories, so many great funny times working with her she always made my day and showed me so much love on the worst day. She always told me “Well Shontina, it's another day we go home and come back and do it all over again”. I was in shock when I got the news because we were close as employees so I always looked to her as a Mother figure to me and so many others, Marianne I love you and I will miss your face...

“ Marianne was a high school friend of mine. We shared good times and friendship for a few years after graduation, and then lost touch. Rest In Heaven Marianne.
