“ Sandra and I have known Lambert since high school and Mary Shortly after. That makes it about 60 years. We have fond memories of our times with Mary and Lambert while we lived in Colorado together for several years. We went camping together a lot. Lambert had a 4 wheel drive vehicle and we used it in the mountains believe me. I clearly remember the four of us going over Tincup pass. We had to go over boulders half the size of the vehicle. I couldn't believe we made it over some of those. I remember Mary as a photographer. Mary would take pictures of our high school class as well as the professional photographer. Her photos were clearly better than his each time.

God bless you and help you through this tough time Lambert.

“ Ohhh Mary
One of the best grandmother's ever
As a child your lap was the one I wanted to sit
You were my favorite person, I will never forget you cooking me watermelon cakes
And making me tater tots casserole for every single one of my birthday dinners..
that's alot of times to make 1 casserole,
We laughed, we cryed, you yelled about me having to much energy and never being
able to woووо sahhhhh as you liked to say
We always throughly enjoyed the time we spent together I remember nights of
Falling asleep listening to your fake heart go tick tick tick you reading Dr suess to me
every night and laughing together at how fast we could read Fox in Socks and how
silly it sounded
You taught me alot, alot I will take forward
And teach my own
You taught me how to Crochet
We spent countless hours playing dominoes
You taught me all the tricks to all the board games.

You loved Chinese checkers
But I think you liked beating me more
You also taught me to be a good loser
Because you can't always win
There's no fun in that
We spent a lot of time together
Laughing, playing, camping, swimming for hours on end, you lady were amazing
There is not a day that will go by that I won't think of you and all the blessings you
brought down upon us,
It's hard for me to even find the right words to say
But
RIP Grandma
Rest in peace
You will forever be missed and thought of,
You were a great lady, a good mother, and an even greater grandmother
Love you sooo sooo Soo much
Your one and only grandson

“ Aunt Mary will be missed! We rest in the fact that she is in heaven today. But we
grieve with the family. Not as unbelievers without hope, but by faith believing we will
see her again one day in Heaven.
