“ To all who loved and knew her  
She was taken way too soon for sure  
Melissa was her beautiful name  
What a sweet soul she became

There are no words we can say  
To make the pain go away  
God must have needed her for some reason  
As she was called home Thanksgiving season

The heartbreak will never go away  
We learn to live with it day by day  
Know that all those who truly care  
Send out love hugs and lots of prayer

May Our Lord bring peace and comfort to all  
Many tears will be shed big and small  
Melissa is now in Heaven above  
With all those who've passed on that we love

Memories will live on in our hearts and minds  
At times God will send us some signs  
That it's okay and we can go on then  
Knowing we will all be together in the end!!!

Love, Cousin Kat

“ Dear Melissa, I just can't believe you are not here to continue to light up this world. You truly were the pillar of what is to be an extraordinary human being. You were always sunshine, you were always stellar in your way of being. You showed up to work with the best attitude no matter what. You inspired and gave me energy in every way possible. You always lived life to the fullest and I fed off of your excitement for life. I can't help but wonder why God chose you and I can only think that he had a much better place to honor such an outstanding person. I truly miss your creativity,

your wit, your adventurous spirit, your joy, your energy, your tenacity and everything you contributed to us! Love you girl!

“ Melia had the kindest sweetest heart. We spent most weekends in high school going to shows together. I will cherish those memories forever. She was so liked by everyone around here. A huge loss for this world but heaven gained an angel.

“ Very very sorry Brenda .. Bob and Christine .. I remember melissa from when, I volunteered in Michael's kindergarten class. She was the cutest little girl in the class. Then later on, when I started to work as a lunch lady at the upper elementary .. I would see melissa and Christine for like 4 years. Always the sweetest little girls with the prettiest big beautiful eyes. They were bashful for a while , but then so sweet, as I got to know them... they grew right in front of me. Prayers for comfort and healing Hugs ☐

“ Melissa was such a joy to work with and loved by everyone! She always lit up the room with that smile. So sad to see a beautiful young woman leave us so soon but she packed more into her 33 years than most of us do in a lifetime. God must have needed an Angel. Sending my sympathy and prayers to her family and friends.
