“ Amanda and family: I am so sorry to hear of your loss. I never had the privilege of meeting your beautiful family, but we shared so many life circumstances together while working in SH/transcription that I felt I knew them. You encouraged me so much during that time of my life; we laughed and cried together. I grieve for you, send sincere condolences to all of you, and pray God's continued presence of mercy and grace during this difficult time. Lori Lee
