“ I have known pat most of my life and I love her like a sister. I never had a sister but she filled that gap. She hugged so tight, she helped my back feel better too. I babysat her kids and one night ended up in the the emergency room. Sorry Tanya! Anyway I will miss her dearly. I will see you soon dear sister and I love you!

“ Approximately 42 years ago we lived by the Conarty's when I was 7 or 8 years old. In the mornings my mom had to be to work before the school bus came. We would walk down to they're house and watch Captain Kangaroo and Bozo until the Conarty's told us it was time to go to the bus stop. I've always remembered that and now this school year I've been doing the same for my neighbors kids. All along thinking of Pat and Tom. That's a very special memory and i hope my neighbors kids will always remember the memories I'm paying forward. I have very fond memories of Tonya, Corrin and Tommy as well. Building a fort with Tommy and playing ball together. I'm sending love and prayers to everyone who love them and know that they're memory will always be with me.
