

Priscilla Ward

July 26, 1932 - February 7, 2019

Mrs. Priscilla Ward, age 86, of Grand Haven passed away Thursday, February 7, 2019. She was born June 26, 1932 in Grand Haven to Daniel and Leora Sherwood.

On September 19, 1953 she married her best friend Donald C Ward. They bought a forever home on the lake and lived out their fairy tale romance. He preceded her in death on January 26, 2006. Her grand kids and great-grandkids will always remember her as “water grandma” because of her love for spending quality time with them on the water. Priscilla was a very charismatic woman who portrayed the love of Jesus through her actions. She was an active member of The Family Bible Church in Muskegon. She found great joy in organizing activities and also enjoyed blessing friends and family with her beautiful painted ceramics.

She is survived by three grandchildren: Shannon, Jason, and Tanya Ward; great-grandchildren: Maciah, Cy’ren, Karionna, Charlie, and Gary Ward; sister, Vera Preston. She was preceded in death by her two sons, Leslie, and Gary Ward; and seven siblings.

She will be missed here on earth, but now she’s enjoying her new golden streets in Heaven.

Funeral services will be held 1:00 PM Monday, February 11, 2019 at The VanZantwick Chapel (620 Washington Ave) with Pastor Jerry DePoy officiating. Visitation will be one hour prior to the service at the funeral home. Interment will take place in Lakeshore Cemetery. Memorial contributions in memory of Priscilla may be given to the Alzheimer’s Association. Please sign the family’s online guestbook at www.sytsemafh.com

“ Hugs and Prayers for all of Priscilla's family. She was a very Beautiful Lady and I would always sit and talk with Priscilla in the nursing home. She always looked so young and pretty and was a joy to talk to. She is now reunited with her loving Husband Donnie and her sons Gary and Les who were our Friends. May They all Rest In Peace. Remember your Fond Memories of Priscilla and she will live on in your hearts and in all of us who knew her and loved her.

“ So sorry for your loss. Correction she was born in Ferrysburg. She was a very hard worker & provided for her family. I could remember seeing her walk from work with her vacuum cleaner, because her husband wouldn't come pick her up . She would do anything for any body. I know when my mother was sick with cancer, she would call or come over every day to see, if there was anything she could for her sister. Very kind, gentle person she was. She lived a hard life. No help from her husband or sons.

“ I don't remember much about my Aunt Priscilla if I'm not mistaken the last time I got to see her I was very young. I don't however remember she always has a sweet smile and a hug for me. I'm just sorry I didn't get to see her more often but having moved away when I was young made it hard to see much loved family back home. Rest in Peace Aunt Priscilla .

“ I remember my aunt Priscilla and she did always have a sweet smile on. Her husband was a jubilant and full of life man. He always was singing and would do anything for anyone. It is unfortunate that you feel the need to resort to bad talking regarding the deceased husband of a now deceased woman. That is shameful and you should feel ashamed. May the rest of those who truly knew her and her husband find peace and comfort during this time and remember what is truly important.
